## ***NJ Registry Account Status and Explanations***

Once you have applied to the *NJ Registry*, your account will be assigned one of the statuses below. Please allow **30 business days** to process your application. Please be sure to check your e-mail frequently.

Status	Explanation
On Hold	Application has been received, but has not yet been reviewed. Your application will remain on hold up to 60 days, until the <i>NJ Registry</i> receives your documentation. <b>After 60 days, your application will be denied.</b>
Processing	Application is in the process of being reviewed. If there is something missing you will be notified via e-mail.
Pending	Application has been reviewed, but additional documentation is needed. An e-mail has been sent to you indicating what is needed.
Active	Application is complete—documentation has been received and profile has been updated by a <i>NJ Registry</i> staff member. <b>You may now print your Certificate of Recognition, Membership Card, and Education and Training Report located under the “My Tools and Setting” tab on the left side of your screen.</b>
Active-Pending Renewal	Your request to renew your application has been submitted prior to expiration date, but proof of completing 7, 10 or 20 hours of professional development (depending on your job title) since your last renewal is needed.
Denied	Application was denied (Ex: you worked out-of-state or <i>NJ Registry</i> did not receive your documentation within 60 days).
